POCKET MONEY: SUGGESTED SPENDING MONEY/COST OF LIVING

EC does not provide a pocket money service. Parents should ensure their children have sufficient pocket money for the duration of their stay. EC Montreal recommends an average budget of CAD 100 per week. Should students require more pocket money during their stay, parents are asked to transfer funds through an international transfer service.

Attendance to all pre-paid and afternoon activities is mandatory. Punctuality for all activities is also mandatory. If you are late for an activity that is time dependent, the activity will continue as scheduled. No refund will be issued for missed activities. English and French are the only languages spoken on all activities. Students are to respect their activity leaders, fellow students and their surroundings. Students will be taken outside the Learning Centre for their activity, therefore, it is essential that students stay with the group at all times and follow all activity instructions carefully. Supervision is provided during all activities.

CUSTOMER COMPLAINTS

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay. The form also allows students to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an online End of Course Evaluation form at the end of their stay so that they have the opportunity to provide EC with general feedback before returning to their home countries.

EXPULSION

Failure to follow any of the above rules will result in immediate expulsion from the Programme with no refund. Parents will be notified immediately and students will be sent home at their own expense. Depending on the severity of the situation, breaking any of the above rules may result in a monetary fine, arrest, jail sentence or deportation by the Canadian police.
