

Wittgenstein Castle

ages 7-11

Situated on a hill overlooking the historic town of Bad Laasphe, Wittgenstein Castle is our program site for our youngest students. The town is located some 120 km east of Cologne and surrounded by an idyllic landscape, with the Lahn River winding its way past the half-timbered houses in the historic center of town. Our school is located in the famous Wittgenstein Castle, which includes both historical and modern buildings and offers a wide range of opportunities for sports and recreational activities. One special feature of this center is that the school has its own stables and offers an optional riding course.

Intensive Course 25

- 25 lessons per week
- ø 10 students per class
- Levels: A1, A2

German for accompanying parents

We are pleased to offer a German course that you can take at the same location as your child. Held in the mornings, your class will be separate from the children's classes, as the course contents will be different: children's courses aim to improve all of the language skills your child will need later on when taking German classes at home; the objective for parents, however, is to teach practical German that will be useful for everyday life. Course offerings cover levels A1 through A2. While you will be housed separately from the children (in private rooms in the castle) and participate, in some cases, in separate recreational activities, weekend excursions will be offered for parents and children together.

Parents' Course

- 25 lessons per week
- Mini groups (2-4 participants per group)
- Levels: A1, A2

Accommodation for Parents

- Beautiful twin rooms (with en-suite bathroom) in the castle
- 3 main meals and 2 snacks

Date

July 5 - July 25, 2020 (3 weeks)

Fees

€ 4,590.- twin rooms in the castle (3 weeks)
€ 585.- surcharge single accommodation (3 weeks)

Included are

Lessons, teaching material, accommodation, full board, daily leisure program, weekly excursions, entrance fees, a certificate and 24-hour supervision for the children

Leisure Activities & Excursions

You are more than welcome to participate in your child's extracurricular activity program. Excursions for parents and children will be offered on weekends. Extra program offerings will be organized for parents.
