ADULT COURSES

BEGINNER'S MINI GROUP 20

This course consists of four lessons per day and is perfect for those students who have little or no knowledge of English and require initial guidance into the language. New grammar, vocabulary and all language skills are introduced to increase confidence and to encourage the student to continue learning English.

COMMUNICATIVE ENGLISH 10

This course is ideal for students wishing to practise their conversational skills and expand their vocabulary without focusing specifically on grammar.

GENERAL ENGLISH 20

This course aims at developing general English skills needed by students for everyday situations, for work, study or travel. Grammar and language structure, speaking and listening, reading and writing, vocabulary and conversational skills are the key elements that make up this very popular course.

Interactive whiteboards are used throughout this course, bringing the fun back into learning. Specially designed digital i-Pack course material suitable for interactive whiteboards are prepared for this course, planned around relevant topics, exercises, images and instantly downloadable 'real life' video clips.

GENERAL ENGLISH 30

In addition to the General English 20 course, students who follow this intensive option are offered two additional lessons per day dedicated to oral fluency, pronunciation, vocabulary building and listening practice in order to improve their confidence in all areas of the English language. Students are also encouraged to discuss and debate a wide range of topics. The aim of this course is to help students to communicate, and emphasis is placed on encouraging fluency.

MAKING INTERNATIONAL FRIENDS

PRIVATE AND SEMI-PRIVATE COURSES

The quickest and most intensive way to learn and improve language skills. Teachers plan the lessons around the student's personal needs, just perfect for students who wish to make maximum progress within a short time. Semi-Private is a course where two students of the same level of English require lessons together. Both courses cover all subjects from General English, Business English, through to ESP and are available to all ages and levels and can also be combined with other courses.

ACADEMIC YEAR

Academic Year consists of a minimum of 20 weeks, offering students the opportunity to choose between 20 or 30 lessons per week to increase their overall fluency and understanding of English. Students are able to make new friends from all over the world and improve their career prospects. Academic Year is steadily becoming a more popular course and is excellent value for money.
