Your learning

Our approach to teaching is focused on helping you achieve your personal goals, which we do through:

- Learner Centred teaching- we focus on the needs and interests of our students
- Flexible teaching plans- the content of our courses are tailored to our students' needs
- We encourage active learning in our classes through participation in activities and discussions

Your feedback is very important to us so we ask all our students for their comments at their end of their course, so we can continue to improve and develop.

Meeting your teachers

To help you get the best education, our teachers are all:

- Qualified, native-level English speakers, often with many years of experience
- Regularly observed and appraised, with detailed feedback to continue to improve their teaching
- Encouraged to take further qualifications

It is amazing to see students from different nationalities, cultures and beliefs come together, make friends and learn together'

Your class

Before you start your course at St Giles, you will take our online placement test so we can make sure you are placed in the right class. You will then be put in a class with students who have a similar level of English, and where possible are from a variety of countries.

At St Giles, we have a maximum class size of 12 at our year round centres, 10 for students under 16 studying at Eastbourne, Cambridge and London Highgate, and 15 at our Junior Summer Centres. For even smaller class sizes, students can opt for our Platinum classes (available at selected locations), where the maximum class size is 5. This means that you will enjoy personal attention from your teachers, which will help you make faster progress.
