

# LANGUAGE CLASSES

20 CLASSES PER WEEK

## SPANISH OR ENGLISH CLASSES

Enforex has developed its own teaching methodology which has proved to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally and spontaneously.

This teaching methodology is inspired by project-based learning which develops not just linguistic skills in the context of language immersion, but also essential strengths such as critical thinking, creativity and teamwork. In addition, we offer a great framework to make language learning more fun and enjoyable at any age.

### EXCEPTIONAL TEACHERS

We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students' success is what makes Enforex teachers stand out.

### EARN A LANGUAGE CERTIFICATE

Each student will receive a certificate and detailed evaluation on their last day of camp.

### INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY

Our proven teaching method is based on project and action learning. A hands-on method where students gain confidence and enjoy learning Spanish while working on real-life projects.

Students will work in teams, brainstorm about their project, evaluate solutions, assign roles to each member, decide on the media in which to present the project (video, photos, poster, presentation, etc.), choose the materials needed, budget and manage their time. Meanwhile, they learn and improve their leadership skills, teamwork, communication skills, emotional intelligence, and confidence.

### WE TEACH ALL LANGUAGE LEVELS

On arrival, each camper takes a placement exam which determines their current language proficiency level. At Enforex we teach students at every proficiency level.

# OUR CERTIFIED camp leaders!

**Enforex is lucky to have well-prepared counselors trained in-house for a real camp experience. Each of them has an official certificate, enabling them to work with children of all ages.**

Many counselors are former campers who, after living the Enforex experience, decided to continue enjoying unique summertime moments from the other side of the camp.

To achieve so, they have been trained on the ground, giving them the chance to reach their full potential as professionals.

Every member of our team shares the camp's philosophy and the dedication necessary to provide the highest quality service.

## CAMP DIRECTOR

Besides the executive directors of Enforex, the Camp Director at each site holds the highest level of responsibility. He or she works very closely with the coordinators and counselors to make sure the camp runs smoothly and attends to the needs of every camper.

## COUNSELORS' COORDINATOR

One Coordinator is assigned to each group of students: Kids, Junior and Senior, thus creating different campuses within the same facility. The coordinator works closely with the camp counselors to develop and supervise camp activities and ensure that each camper makes the most of their summer.

## COUNSELORS

One counselor is assigned to each group of 8-12 campers at every summer camp. They spend 24 hours per day with their group, act as mentors, tutors and caretakers for any need and concern.

## TEACHERS

Our summer camp faculty is experienced in teaching young students of various ages and implements a wide array of innovative teaching techniques and activities that speak to every age group and learning type.

## OUR ACTIVITIES

## ✓ Included activities

### RECREATIONAL ACTIVITIES

At least once a week we organize events and activities for campers to get together and enjoy a ridiculously fun night where they can dress up, be silly and enjoy being together. Campers are encouraged to be creative, inclusive and resourceful. Without even realizing it, they develop valuable life skills and practice their second language. These events also help campers make friends and instantly become part of the community. Many of our events are hosted outside and are adapted to the interests of the campers.

### INDIVIDUAL AND TEAM SPORTS

Sports help develop valuable skills in young adults including confidence, teamwork, communication, endurance and determination just to name a few. Not to mention health benefits such as coordination, body posture, healthy habits, flexibility, strength and the list goes on! At Enforex, we offer many options for campers to find a sport they enjoy, whether that might be an individual or team sport. Many are exposed to new experiences and discover their new favorite sport.

### CULTURAL WORKSHOPS

We carefully select special topics that are culturally enriching and that give our campers the opportunity to learn something new, discover the world around them, develop important life skills (like cooking and writing) and explore their interests. Your little one might discover his or her future career path after discovering a new talent this summer. Our workshops are perfect for sharing new information, yet at the same time are always engaging, interesting and fun.
