CITY FESTIVALS

Cambridge is famous for its many festivals held throughout the year, some of which are the oldest or biggest in the UK. The city hosts excellent annual festivals of science, history, music (Folk, Classical, Rock & "Pop in the Park"), film, literature and Shakespeare.

THE CITY OF CAMBRIDGE

Cambridge is one of the most famous, and most instantly recognised, city names in the world. It has been a centre of learning for 800 years and is the international symbol of academic excellence. With 20,000 university students, virtually the only "business" of Cambridge is education and, despite its age, the whole city is designed for young people.

It is the ideal place for the international English language student - international in outlook but very English in character. It is known throughout the world for its mediaeval university colleges, impressive architecture, the peaceful River Cam, and its green parks and gardens. But Cambridge is not only about tradition; it is modern, too. With a population of 120,000 people, it is small enough to get around easily on foot or by bicycle, but big enough to have all the shops, restaurants, cinemas, theatres, clubs, museums, galleries and sporting facilities that you may need.
