## THE TOWN OF BISHOP'S STORTFORD

Founded more than 1,500 years ago, in Roman times, "Stortford" is a market town with a traditional English atmosphere. It is small – fewer than 40,000 residents – and enjoys a high standard of living.

Its location halfway between Cambridge and London makes it ideal for sightseeing in the capital and the local area. It is also the nearest town to London's Stansted airport (just 6 kilometres away).

## THE SCHOOL

Hockerill Anglo-European College (HAEC) was established as a teacher training school in the 1850s. Today it is one of Britain's most prestigious academies, with Language College and Music College status. It has a strong international focus, offering the International Baccalaureate and attracting students from countries around the world.

The campus is self-contained with comfortable boarding houses, a modern dining room, very good food and excellent facilities.

We are proud to have been running our Sir Henry summer camp at HAEC every summer since 1997.
