

Fun Learning for Ages 8 - 11

Accompanied supervision

Our qualified teachers ensure a high standard of education, in a fun and friendly classroom environment.

Young Learners are supported by Teaching Assistants both in their English tuition and on activities. The assistants also accompany the children at meal times to ensure healthy food choices are made and the children are eating well.

Our dedicated young learner residential staff work with the YL during the evenings, providing after school clubs, activities and entertainment as well as helping with laundry and practical tasks and supervising their bedtime routine.

Harrow House takes student welfare very seriously and the continuity of contact ensures the children are confident and comfortable at all times.
