

ATC SOCIAL PROGRAMME

"They offer a social program that includes tours and travel trips by region, which helps in the integration between students and the whole thing of 'absorbing culture' that is important in a language course!" Gabriela, Brazil

A comprehensive social and cultural programme is provided in each of our 3 adult schools. Each programme is tailored to the destination you choose and we encourage all students to participate fully in the wide range of free and fee paying activities. At ATC we believe that the programme of cultural visits and activities forms an important part of a student's stay with us. It affords the students an opportunity to explore the destination country, meet the locals, and discover a new culture while also practising their English with their new international friends.
