OUR ACTIVITIES

✓ Included activities

RECREATIONAL ACTIVITIES

At least once a week we organize events and activities for campers to get together and enjoy a ridiculously fun night where they can dress up, be silly and enjoy being together. Campers are encouraged to be creative, inclusive and resourceful. Without even realizing it, they develop valuable life skills and practice their second language. These events also help campers make friends and instantly become part of the community. Many of our events are hosted outside and are adapted to the interests of the campers.

INDIVIDUAL AND TEAM SPORTS

Sports help develop valuable skills in young adults including confidence, teamwork, communication, endurance and determination just to name a few. Not to mention health benefits such as coordination, body posture, healthy habits, flexibility, strength and the list goes on! At Enforex, we offer many options for campers to find a sport they enjoy, whether that might be an individual or team sport. Many are exposed to new experiences and discover their new favorite sport.

CULTURAL WORKSHOPS

We carefully select special topics that are culturally enriching and that give our campers the opportunity to learn something new, discover the world around them, develop important life skills (like cooking and writing) and explore their interests. Your little one might discover his or her future career path after discovering a new talent this summer. Our workshops are perfect for sharing new information, yet at the same time are always engaging, interesting and fun.
