

Activities

Throughout the year, all LSC centres employ Coordinators of Student Activities. They arrange an exciting variety of cultural, social and sporting activities outside class hours. We hire specialists to help make the students' stay in Canada as enjoyable as possible. Students choose from a wide range of excursions; from going to see a movie to a weekend trip to another city. All activities are optional at extra cost; students pay as they participate.

The Activities program provides students with an informal environment in which to develop language skills and make new friends.

In the evening, LSC students enjoy various aspects of Canadian culture around the city.

Weekend excursions allow our students to explore Canada. Students benefit from LSC's group-rate prices under the direction of an experienced guide.

Some weekend excursions involve travel to nearby U.S. cities. Students should apply for a U.S. visa from their home country if they plan on joining any excursions to the U.S.A.

Canadian cities enjoy the diversity of the four seasons. Our Coordinators plan activities and excursions which take advantage of the best that each season has to offer.

Some activities, such as playing sports together, hiking and walking tours, are free. We also attend cultural events and museums on the free admission days together. For other events, there is a small charge or special rates for our students. Some major theatrical events may cost more. We go together to the movies on discount nights.

Dancing is a favourite activity among LSC students. Most Friday evenings will find our group at a popular club. This is a wonderful way for students to get to know each other and to stay in shape!

On weekends, LSC offers both day excursions and weekend packages. Day trips generally cost C\$20 to C\$100 depending on the outing. Longer weekend trips include transportation, accommodation and services of our guide. They usually range from C\$100 to C\$350, depending on the tour.

On the next page are some examples of the activities available to LSC students. These are just a few of the wonderful opportunities available for LSC students to experience during their stay.

Each session, the LSC Coordinator of Student Activities draws up a one-month calendar of activities. These calendars are available at the beginning of each session.

Current Activity Calendars are posted to the LSC website as soon as they are available. Please go to www.lsc-canada.com/activities-calendar.
