

Vienna (Austria)

ages 15-18

Vienna, the city with the highest quality of life in the world, unites tradition and modernity in its own unique way. With 1.8 million inhabitants, Vienna is both Austria's capital and its largest city – and the site of the first and only Humboldt-Institut center in neighboring Austria. A true highlight of this program site is the location of our German courses: on board of a school ship right along the Danube island! After class, Vienna also offers what may be the world's finest cultural scene: besides the old town and Schönbrunn Palace, both of which are UNESCO World Cultural Heritage sites, Vienna also boasts countless royal residences and palaces, museums, famous buildings and landmarks, the most internationally known of which are St. Stephen's Cathedral and the Ferris wheel in the Prater park. But architectural monuments are not all that Vienna has to offer: coffeehouses, Sachertorte, Wiener Schnitzel and the Naschmarkt – the city's wide variety of attractions cater to every taste!
