

Easter

Ages: 8–17 years

We have been running English language and activity programmes for all ages (8–17 years) in the Easter holiday period for many years.

General English plus multi-activities

We offer twenty lessons per week (16 hours) with the morning classes focusing on the four skills of reading, writing, speaking and listening, and our afternoon sessions being more interactive project lessons involving drama, music, film, arts and crafts and even debating for the more advanced learners.

Given the unpredictable weather at this time of year, we do offer more trips and indoor sports on our programme than you would find in the summer. Given our traditional Easter special offer, we believe that this course offers fantastic value for money.
