

Düsseldorf

ages 14-18

With a population of some 600,000 inhabitants, Düsseldorf is seen as one of Germany's most interesting and popular major cities. Enjoy a stroll along the banks of the Rhine at the "Rheinuferpromenade" which links the traditional historic city center with the contemporary media harbor. The "Kö," the bustling shopping street, is another wonderful place to take in the sights, and as a cultural metropolis, Düsseldorf appeals to people from around the world. The city on the Rhine is famous for the joie de vivre of its residents, and it has an almost Mediterranean flair, particularly in the summer. Our house offers high-standard accommodations and is located directly on the Rhine with a view of the historic city center. Most major sightseeing attractions are within easy walking distance.
