WELFARE, RULES AND DISCIPLINARY ACTION

CURFEW TIMES

- On free evenings only : 11pm
- On evening with EC activity : Student must join the activity and curfew is on return from the activity.

ALCOHOL CONSUMPTION

The consumption of alcohol by Young Learners is prohibited. Students who consume alcohol risk being expelled from EC and repatriated to their home country at their own expense.

SMOKING

Smoking is NOT accepted at any time (at the residence, at school, nor during activities). The legal age for smoking in Malta is 18 years.

EXPULSION

EC reserves the right to expel and repatriate a student at his/her own expense for any reason, including but not limited to the circumstances listed below:

- Possession and/or use of any illegal drugs
- Consumption of alcohol
- Malicious damage to school property and/or place of accommodation
- Being a danger to his/her own safety or that of other students
- Breaking Maltese law
- Repeated failure to attend academic lessons and/or activities
- Disrespect to EC staff members
- Smoking

In any of the above circumstances, the student will be informed that their stay will be terminated with immediate effect. Simultaneously, EC will inform the student's agent about the student's behaviour and the course of action to be taken. The earliest flight available will be booked and an EC staff member will accompany the student to the airport to ensure that the student leaves the country safely. Following such action, EC will terminate all relationships with the student and will be unable to take further responsibility for the student. No refunds will be given to any student who has been expelled.

DRUGS

The consumption and/or possession of any illegal drugs will result in the immediate expulsion and repatriation of the student at their own expense. The intervention of the police may also be necessary in such an event.

CUSTOMER COMPLAINTS

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an arrival survey. The survey allows students the opportunity to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete a relationship survey at the end of their stay so that they have the opportunity to provide EC with general feedback before returning to their home country.

Course Certificate

Students must attend all lessons and organised activities in order to receive their End of Course Certificate.

Pocket Money

EC does not provide a pocket money service for students. Parents should ensure their children have sufficient pocket money for the duration of their stay. Should students require pocket money during their stay, parents are asked to transfer funds through an international transfer service.

Disipline

In order to manage student behaviour, EC staff may issue a formal warning, notify parents, ban students from an activity/lesson, or withhold the End of Course Certificate.

Note

EC may, from time to time, make an exception and allow students outside the stated age range to participate in one or more of the Young Learner programmes. For more information, please speak with your EC contact.
