## SOCIAL PROGRAMME

Learning English with Easy School of Languages is a memorable experience. St Paul's Bay and the neighbouring towns of Buġibba and Qawra are amongst the most popular summer resorts on the island, with restaurants, cafés, bars, and numerous facilities for water sports enthusiasts. The coastline along this region is mostly rocky, however, it is within easy reach of some of Malta's best sandy beaches. This area is very picturesque, with views, across the bay, of the Island of St Paul, which has been identified as the place where the shipwreck of the vessel carrying the Apostle Paul occurred.

JUNIOR SCHOOL

Our junior school is located 10 minutes away from St Paul's Bay, in Mosta, to which students commute everyday with our private transport. The school is a modern building with spacious well-lit classrooms, some of which enjoy views of the Mosta Dome and the open countryside.
