LANGUAGE CLASSES

SPANISH OR ENGLISH CLASSES

Enforex has developed its own teaching methodology which has proved to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally and spontaneously.

This teaching methodology is inspired by project-based learning which develops not just linguistic skills in the context of language immersion, but also essential strengths such as critical thinking, creativity and teamwork. In addition, we offer a great framework to make language learning more fun and enjoyable at any age.

EXCEPTIONAL TEACHERS

We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students' success is what makes Enforex teachers stand out.

EARN A LANGUAGE CERTIFICATE

Each student will receive a certificate and detailed evaluation on their last day of camp.

INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY

Our proven teaching method is based on project and action learning. A hands-on method where students gain confidence and enjoy learning Spanish while working on real-life projects.

Students will work in teams, brainstorm about their project, evaluate solutions, assign roles to each member, decide on the media in which to present the project (video, photos, poster, presentation, etc.), choose the materials needed, budget and manage their time. Meanwhile, they learn and improve their leadership skills, teamwork, communication skills, emotional intelligence, and confidence.

CHOOSE YOUR PROGRAM

RESIDENCE CAMP

The residential stay embodies the essence of our summer language camp philosophy: by living and being mixed with 60% Spanish and international students, studying, playing and practicing languages together 24 hours a day in a totally multicultural environment, campers will learn interpersonal and linguistic skills to last a lifetime. When they choose our 'star' program, Spanish and international campers are only separated during the morning language classes.

DAY CAMP

This option is perfect for campers who live nearby or are traveling in Spain with their families. Students will be able to enjoy fun activities, language classes and new international friends during the day and return to their families in the evening. Students still reap the same great benefits as overnight campers when they are at camp.

HOMESTAY PROGRAM

Students 14 years of age and up can choose to become part of a Spanish family with our homestay program. This is a great option for students who are interested in a truly authentic Spanish experience. All of our enthusiastic families are carefully selected in order to ensure that they share the same core values as we do and are friendly, welcoming and passionate about helping our students learn and grow from their Enforex summer.

Sports activities are included in all of our camps. If you'd like to add other sports, here are the options we offer:

ENFOREX CAMP MADRID

What to expect

The multicultural energy of Madrid and its location in the center of Spain are enough reasons to choose it as the perfect setting for a different summer. If, in addition, you add the modern facilities of the prestigious Francisco de Vitoria University, it would be difficult to find a more well-rounded destination. Our campers love to have a great time doing sports on the tennis, paddle and basketball courts, soccer fields or in the pool, and they can even play beach volleyball.

The atmosphere of an international university campus just 15 minutes from the Madrid city center combined with our enthusiastic staff create a really fun atmosphere where campers are encouraged to grow personally, to learn other languages, to interact with other cultures, and to explore the world around them, starting with Madrid.
