

Rooms and meals

Earlscliffe does not use host families. All students live in our own residences, supervised by our staff. The residences are located within a few minutes' walk of both the main building and the School House classrooms. All our buildings were originally built between 1870 and 1910, with four being late Victorian in style and three Edwardian. All have been refurbished.

Girls and boys live in separate, supervised accommodation. Most rooms are spacious twin or triple rooms with en-suite WC and shower. All rooms have Wi-Fi. The accommodation is attractive: modern, light rooms within historic façades. Earlscliffe is an 'in-town' campus of buildings meaning that students can easily walk between classes, meals, accommodation and activities.

Meals are taken in the college dining room and prepared by our own chef and team. Meals are varied and often international, such as Chinese, Mexican or Indian, but not forgetting the occasional British fish and chips! Formal dinners every two weeks (including one traditional English Christmas meal!) give our students a chance to dress up and enjoy a three-course meal by candlelight. Any special dietary needs can be catered for including vegetarian, non-dairy etc. Students are given packed meals on day trips.
