LEARNING CENTRE

EC Cambridge,
Gibson House,
57 - 61 Burleigh Street,
Cambridge

During the peak weeks (**Monday 8 July to Friday 26 July**) classes will also be held at:
EC Cambridge, Guildhall Chambers or an alternate site.

Course: Project Based learning

20 lessons per week (a total of 15 hours)
1 lesson = 45 minutes

- The course will help improve English Language skills by encouraging the students to work and communicate together toward completing a weekly Project, emphasis is placed on communication and developing life skills.
- Lessons are engaging and designed especially for young learners. Teachers aim to satisfy any interest, with a focus on communication to boost students' confidence when using English in practical situations.
- Our dedicated and professional teaching staff provide feedback and support and help students build confidence to speak English.
- All lessons and activities work together. Each week covers a different theme and what's learnt in class is linked with activities outside of the classroom. That means learners get to use and practice their skills every single day.

WELFARE, RULES AND DISCIPLINARY ACTION

Course Certificate

Students must attend all lessons and organised activities in order to receive their End of Course certificate. Students will receive their Certificate on the last day of the course.

Discipline

In order to manage student behaviour, EC staff may issue a formal warning, notify parents, ban students from an activity or withhold the End of Course Certificate, if the student misbehaves.

Note:

EC may, from time to time, make an exception and allow students outside the stated age range to participate in one or more of the Young Learner programmes. For more information, please speak with your EC contact.

ALCOHOL CONSUMPTION

As per U.K. law, any EC student on the Young Learners Programme caught consuming alcohol during their stay will be expelled from the school. No alcohol consumption is permitted during the programme.

DRUGS

The consumption of any illegal drugs will result in the immediate expulsion and the possible intervention of the police.

SMOKING

Smoking is not permitted during any part of the programme.

EXPULSION

EC reserves the right to expel for any of the following reasons:

- Possession of any illegal drugs
- Drinking or bringing alcohol on to any EC premises
- Malicious damage to school property or place of accommodation
- If the student is a danger to his/her own safety or that of other students
- Breaking English law
- Repeated failure to attend academic lessons and/or social activities
- Bullying, racist behaviour, sexual harassment or violence

In any of the above circumstances, the student will be informed that their stay will be terminated with immediate effect. Simultaneously, EC informs the student's agent of the student's behaviour and the course of action to be taken. The earliest flight available is booked at the student's expense and an EC staff member accompanies the student to the airport to ensure that the student leaves the country. Following such action, EC will terminate all relationships with the student and will be unable to take further responsibility for the student. No refunds will be given to any students who have been expelled.

CUSTOMER COMPLAINTS

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay. The form also allows students to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an online End of Course Evaluation form at the end of their stay so that they have the opportunity to provide EC with general feedback before returning to their home countries.
