UK

Course: Project Based learning

20 lessons per week (a total of 15 hours)

1 lesson = 45 minutes

- The course will help improve English Language skills by encouraging the students to work and communicate together toward completing a weekly Project, emphasis is placed on communication and developing life skills.
- Lessons are engaging and designed especially for young learners. Teachers aim to satisfy any interest, with a focus on communication to boost students' confidence when using English in practical situations.
- Our dedicated and professional teaching staff provide feedback and support and help students build confidence to speak English.
- All lessons and activities work together. Each week covers a different theme and what's learnt in class is linked with activities outside of the classroom. That means learners get to use and practice their skills every single day.

CURFEW TIMES

- Ages 13-15: 10 pm
- Ages 16-17: 11 pm

SMOKING

Smoking is NOT allowed at any time during the programme.

DRUGS

The consumption of any illegal drugs will result in the immediate expulsion and repatriation of the student and the possible intervention of the police.

EXPULSION

EC reserves the right to expel and repatriate a student at his/her own expense for any of the following reasons:

- Possession of any illegal drugs
- Drinking or bringing alcohol on to any EC premises
- Malicious damage to learning centre property or place of accommodation
- If the student is a danger to his/her own safety or that of other students
- Breaking British law
- Repeated failure to attend academic lessons and/or social activities
- Bullying, racism, sexual harassment, violence

In any of the above circumstances, the student will be informed that their stay will be terminated with immediate effect. EC will also inform the student's agent of the student's behaviour and the course of action to be taken. The earliest flight available will be booked at the student's expense and an EC staff member will accompany the student to the airport to ensure that the student leaves the country. Following such action, EC will terminate all relationships with the student and will be unable to take further responsibility for the student. No refunds will be given to any students who have been expelled.

CUSTOMER COMPLAINTS

At EC, we endeavour to provide our students with the highest possible level of service. If, however, a student is unsatisfied with any aspect of their programme with EC, we ask that they inform us immediately. Most problems are small and can be quickly resolved by our staff members. During the first week of school, all students are given an initial Course Evaluation form, in which they are asked to evaluate various aspects of their stay. The form also allows students to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an online End of Course Evaluation form at the end of their stay so that they have the opportunity to provide EC with general feedback before returning to their home countries.

Course Certificate

Students must attend all lessons and organised activities in order to receive their End of Course Certificate. The certificate will be given out on the last day of learning centre.

Discipline

In order to manage student behaviour, EC staff may issue a formal warning, notify parents, ban students from an activity or withhold the End of Course Certificate, if the student misbehaves.

Damages

Students are liable for any damages/breakages caused to learning centre property. Payment for damages must be effected immediately and the residence staff will not allow the students to leave the residence unless payment has been made. A damage deposit form must be completed on the first day of learning centre. If students do not have a credit/debit card of their own, it is important that they bring details of a relative's/friend's credit/debit card, with a letter of authority to use this card.

Note:

EC may, from time to time, make an exception and allow students outside the stated age range to participate in one or more of the Young Learner programmes. For more information, please speak with your EC contact.
