

Sir Edward

Ages: 8-16

THE TOWN OF ELY

Ely (pronounced to rhyme with "freely") is a beautiful, peaceful city in the heart of the Cambridgeshire countryside - the ideal setting for this age group. It is 25 kilometres north of Cambridge and 120 kilometres from London.

Its magnificent cathedral, established in 1083, dominates the city and makes this one of the finest and most unspoilt mediaeval cities in England. Many of the ancient buildings are part of King's teaching centres and student residences.

The city centre has a traditional English feeling, with shops and a market square. With a population of only 20,000 people Ely feels more like a village than a city - everything is close-by and the atmosphere is friendly.

THE SCHOOL

Founded in the year 970, King's is one of the oldest schools in the world. King Edward the Confessor, who died in 1066, was educated in the magnificent buildings around Ely Cathedral which are still used by the school today.

You will live on-campus in one of the wonderful, old residences (perhaps even in School House – the oldest inhabited residential building in Europe). Your time here will be something to remember for the rest of your life.
