THE CITY OF CAMBRIDGE

Cambridge is one of the most famous, and most instantly recognised, city names in the world. It has been a centre of learning for 800 years and is the international symbol of academic excellence.

But it is also fun! With 20,000 university students, virtually the only “business” of Cambridge is education and, despite its age, the whole city is designed for young people.

It is the ideal place for the international English language student (see page 18 for more about the city).

THE SCHOOL

The Sir Michael summer camp is held at our main school at 5 Salisbury Villas, Cambridge. Studio Cambridge is the oldest language school in Cambridge, established in 1954.

The school is housed in a lovely 19th Century building, belonging to Jesus College, Cambridge University. The location is excellent – surrounded by the hi-tech area of “CB1” and just 15 minutes’ walk to the historic Cambridge city centre.

We have been running the Sir Michael summer camp every year since 1968.
