

JUNIOR COURSES

Lively Learning for Ages 11 - 17

Junior Courses feature:

At Harrow House we offer Junior Courses from January to November.

The first courses offered at Harrow House in 1969 were Junior Courses, making ours the most established and longest running Junior Courses in the UK. The success of these courses is highlighted by the very high student return rate, with many students returning for a second year and some returning for a number of years.

All our Junior students are taught English through the medium of popular British culture. From films such as Harry Potter and Sherlock, lyrics from British pop music, classic and modern literature like Tolkien and Roald Dahl, football and sporting icons plus much more.

The key features and attractions of the Harrow House Junior Courses include:
