

Brighton Travel Guide and Activities

Brighton is a trendy, cosmopolitan destination with all the attractions of a larger modern city, with a stunning beach which has been voted one of the top 10 in the world. If London is the big sister city, Brighton is the cooler, younger sibling, with a rich and vibrant culture all of its own.

CLIMATE

The south coast of England is known to have one of the warmest climates in the UK, but the weather can still be unpredictable. However, as in the rest of Britain it is quite possible for the weather to be warm, cold, sunny, raining, windy... all in the same day!
