### GETTING TO SCHOOL & ACTIVITIES

- In the morning, students should be accompanied to school by a parent/guardian and attend lessons (or activities). This is followed by lunch. After the afternoon activity (or lesson), students must be collected by a parent/guardian and join their family for dinner. In order to get to and from activities, students must purchase a travel pass. A weekly travel pass costs approximately £35 per week (subject to change).
- Day Programme students are included in evening and weekend activities, so parents should notify the school if students want to miss any of these activities.
