### Wimbledon - London

## Social Programme at Milner School of English during Covid-19

While social distancing is in place we will only be able to run a limited programme due to the rule of 6 and other restrictions. However, since reopening we have been able to offer weekly trips such as Chelsea Stadium Tour, Natural History Museum, Sky Garden, conversation club, British Museum.

Most venues ask you to sanitise your hands on entry and exit, may require you to wear a face covering and observe social distancing.

We are able to book day trips outside London with our partner Anderson Tours. For further details please see <https://andersontours.co.uk/>

Under current government guidelines it is possible to meet in groups of 6 people. It is recommended that you only socialise with your household or other members of your class.
