Homestay Accommodation 2016

Homestay
Living with local people is a great way to practise your English and experience the British way of life. Your welcoming hosts will provide you with a comfortable room, breakfast and evening meal every day, and all meals at weekends.

Location
Most homestay host families live within 5 kms of the school in residential areas around the city. Buses are frequent and journeys to school should take no more than 30 minutes.

Your Homestay
You may stay with a family with children, a single person, a retired couple, or a young couple. Many different types of people enjoy hosting foreign students in their home. Please inform us about any special requests well in advance and we will do our best to find the right family for you.
As soon as we have found the right homestay, and no later than a week before your course starts, we send you the address and a brief description of your homestay.

Quality
Our Accommodation Officer visits each host so that the highest standards are maintained.

Services
Every week your room is cleaned and your bedding and towels are changed. A machine load of laundry may be washed each week.

Internet
Internet is available at some homestays and at all en-suite homestays. You can also buy a wireless connection from a mobile telephone provider which will give you unlimited internet access.
The school has free Wi-Fi throughout the building whenever the school is open (9am-5pm Monday to Friday)

Arrival
If you make your own travel arrangements please let your homestay or the school know about your arrival time so that your host can be at home to welcome you. Alternatively we can arrange a taxi transfer for you in advance at the time of your booking.

You can choose a standard room or an en-suite room with your own bathroom. These come with breakfast & evening meals (Mon-Fri) and breakfast, lunch & evening meals (Sat-Sun). We can also usually arrange twin rooms and bed and breakfast only. Arrival is on Sunday and departure on Saturday.
