

Study and Work Co-Op in Canada

Learn English or French (Montreal only) and put your new skills to use as you gain valuable workplace experience with this incredible study and work combination programme.

THIS COURSE IS SUITABLE FOR STUDENTS

- who want to develop the language skills relevant to the world of work
- who would benefit from learning both in the classroom and in an authentic working context
- who want to enhance their professional skills and gain a competitive edge

WHAT CAN YOU EXPECT ON THIS COURSE?

Step into the world of work

On this unique programme that combines English or French (Montreal only) language study with authentic work experience, the primary focus is to strengthen students' English or French skills in the workplace. Students take specially-designed workplace-focused lessons alongside any other language course, which they supplement with a choice of two types of work experience (either Unpaid or Paid) which can be up to the same length as the course itself.

Boost your employment prospects

During your time in a Canadian work environment, you will have a taste of using your newly-developed language skills in a real environment and experience what it is like to work in Canada. This practical experience will ensure you stand apart in the competitive environment, and your CV will be greatly enhanced with the experience of studying and working abroad.
