Hockerill Anglo-European College, is an international boarding school, so its staff are experienced in caring for children of all ages and nationalities whilst they are away from their families. The residences are all on campus within the college grounds. There are up to 200 comfortable residential beds in good-sized modern rooms, with separate buildings for boys and girls.

All rooms are shared but they vary between the residential houses. Some are twins only, some are rooms for up to 5 students, and one of the houses has dorms with up to 6 beds. All bathrooms and showers are shared.

Studio staff live in the residences, providing 24-hour care. The adult-to-student ratio is approximately 1:7 and the wardens are never far away if you have any questions or need help. They will also organise activities for you every evening.

Meals

All meals are provided in the college dining room. There is a wide choice of hot and cold food and a vegetarian option for every meal. Packed lunches are provided on excursion days. At bedtimes, there is also a late snack (hot and cold milk drink, soft drinks, cookies and cake).

Evenings

Each evening students on the Sir Henry programme will have activities organised for them by the Studio team. Students may not go off campus at any time without Studio staff and must be in their residence by 22:00 at the latest.
